

HOLLISTER TREMORS YOUTH SOCCER CLUB
Fall 2010 Season Information and Registration Guidelines

RECREATIONAL Program

- **Teams** Based on registration, recreational teams will be selected separately for boys and girls in the following age groups (player age as of July 31): **Under 6** (if there are not enough players, this division might be mixed boys/girls), **Under 8**, **Under 10**, **Under 12**, and **Under 14**.
- **If there are not enough players to form a team in a particular age group**, the Tremors will either refund the full registration fee or discuss with parents the possibility of allowing a player to play “up” an age group. Tremors reserves the right to make the final decision.
- **Practice will begin in late August.** Your child will receive a call from his or her coach sometime in mid-August with specific information.
- **Games will begin the first Saturday in September following Labor Day Weekend.** The recreational season is comprised of 10 league games plus a season ending tournament (jamboree). The recreational season will end by the end of November. U6 division might play only 8 games.
- **Game Locations** “Home games” (as well as “away games” against other Hollister teams) will be played at Vets Park. There will also be a few “away games” in San Juan Bautista and Aromas, as well as possibly one or two other local towns such as Gilroy or Morgan Hill. The goal this year is to have U12s play locally in a 8v8 format, this will depend on the number of players register, if there is not enough players for in-house play, they will join the U14s and participate in a recreational league program which covers the south bay, Morgan Hill, San Jose, Los Gatos.....5 games are played in Hollister and 5 away.

COMPETITIVE Program (Class 1 and Class 3) – NOTE: FEE FOR THESE PROGRAMS IS HIGHER PER PLAYER. Fees to be communicated by the coach once a player is invited to try-out for a competitive team but are expected to be in the \$100 range or higher depending on the cost of uniforms and tournament fees.

- **Competitive class teams are by “invitation only” and are for experienced soccer players.** Individual teams are formed and may hold try-outs prior to the season should they be looking for new players. Some play “year round” (optional). Some are already full. **However, Many will be looking for additional experienced players for the Fall 2010 season.** Tremors will announce which competitive teams will be offered and those looking for players in the June timeframe. Check the Tremors web site at www.hollistertremors.com.
- **ANY AND ALL EXPERIENCED PLAYERS ARE ENCOURAGED TO CONTACT TREMORS TO TRY-OUT FOR A COMP TEAM.**
- **Comp Teams will hold try-outs and will begin practicing in mid-July.** Comp League games begin the first weekend of September end run through November or early December, with the additional possibility of a tournament or two.
- **Game Locations** Comp Teams have “Home games” at Vets Park. “Away games” may be anywhere from Salinas to the Palo Alto area. These are considered “traveling teams” and require greater commitment from the player and family.
